

GRAZIE[®]

Tandem Seating

Grazie tandem seating uses Perfect Pivot™, a patented, frictionless mechanism that exactly mirrors natural body movement and a contoured back that twists when you twist for the ultimate in comfort. Sturdy beam-mounting allows for various combinations of seats and tables that can be configured in straight runs, L-shapes or U-shapes. Grazie tandem is part of an extended seating line that provides a consistent design language.

STATEMENT OF LINE

GRAZIE TANDEM SEATING FEATURES

- A. Flex Comfort**
Perfect Pivot patented mechanism mirrors natural body movement to provide ultimate comfort. Supportive contoured back flexes sideways, twisting when you twist.
- B. Material Options**
Available as all poly, with upholstered seat or with upholstered seat and back.
- C. Optional Arms**
Available with end arms or all arms
- D. Optional Connector Tables**
In-line and corner tables provide space-planning options for straight, L-shape or U-shape configurations.

Designed by Giancarlo Piretti
