

Zoetry Lounge Seating

Zoetry lounge seating offers sophisticated design and exceptional comfort. With an expansive statement of line, Zoetry allows unique configurations and supports specifier choice. Optional privacy screens define personal space within open environments wherever needed. Zoetry is an elegant collection with design continuity.

Key Features

- A Cohesive Collection**
Available in a wide variety of models including single, loveseat, bariatric, tandem seating with separating arms, and models featuring 3 styles of inline tables.
- B Privacy**
Lounge models and upholstered privacy screens provide visual and acoustic benefits. Screens are 0.75" thick, featuring rounded corners and are available with contrasting finish options. Screens are aligned with a steel-toothed medallion available in KI powdercoat or polished finishes.
- C Stitching Detail**
Select among 16 choices of thread color to complement any design vision.
- D Arm Options**
Standard 4" arms are available fully upholstered, with wood or poly arm cap options. Swivel tablet arm models boast an attractive 14" worksurface for functional lounge environments.
- E Exceptional Comfort**
Generously molded back rest foam and 6" seat cushion comfortably support long periods of use.
- F Power**
Select up to two power modules per model. Seating power available in black or white. When specifying tandem seating with tables, power is located in the worksurface. Table modules are available in all black, all white, or white with silver faceplate.
- G Elegant Design**
Elegant cast aluminum leg and extrusion bases are available in polished aluminum or KI standard powdercoat finishes.
- H Leveling Glides**
Plastic or felt glide options allow for 0.875" of height adjustment to accommodate variances in floor type.
