

SIGNIA™

Task and Conference Seating

RESILIENT COMFORT AND WELL-BEING

Designed for long-term comfort and support, Signia blends intuitive ergonomics with a sleek, modern aesthetic. Its unique lumbar support and easy adjustments promote active sitting, enhancing focus, productivity, and well-being throughout the workday.

Featuring a 3.5" thick memory foam seat cushion with a waterfall edge, a breathable suspension mesh back, optional upholstered backrest cushion, and an optional padded lumbar support mechanism, Signia delivers exceptional all-day comfort.

5-position back travel limiter

Quick tension adjustment offers 7 positions in 7 seconds

Advanced mechanism provides forward tilt

SIGNIA STATEMENT OF LINE

Signia ergonomic task seating includes a chair and a stool with optional lumbar support and essential adjustments for back tension, back tilt, seat height, and seat depth. An optional advanced mechanism adds forward tilt adjustments for perching. Signia is available with mesh or fabric cushion back, and is available armless, with conference arms, or with adjustable 1D or 4D arms. Base colors include black, cool grey or polished aluminum. Frame, arm and lumbar mechanism color is either black or cool grey.
