

Ruckus Worktables

Foster student engagement and support a variety of learning space layout and group dynamics with Ruckus worktables.

Key Features

- A

Surface Materials

Three distinct worksurfaces support active learning: butcher block wood, laminate, or phenolic resin.
- B

Power Solution

Optional power modules can be specified above or undersurface to support classroom technology and provide charging for devices.
- C

Book Bag Hooks

Optional hooks can be specified to keep book bags and belongings off floor.
- D

Convenient Storage

Cubby and tote storage within the base keeps learning spaces neat. Doors can be specified with locks and are available in a variety of colors to match or contrast.
- E

Ease Relocation

Two-piece base design and toolless removeable worksurfaces allow units to fit through doorways.
- F

Durable Casters

Industrial-grade 3" casters meet the rigorous demand of hands-on learning spaces.
