

ZOETRY[®]

Collection

COMPREHENSIVE COMFORT

The Zoetry collection features exceptional comfort and high design. With attention to function and specification details, Zoetry is a comprehensive solution for modern environments.

CREATIVE CONFIGURATION

Highlighted by numerous elements, Zoetry supports dynamic seating formations. Mix and match lounge and guest seating, including tandem models and inline table options. Weave in benches and occasional tables throughout a space for a cohesive finish.

PURPOSEFUL & POETIC

With striking visuals, Zoetry includes purposeful designer options for a crafted, poetic form. Stylish cast aluminum legs and extrusions add elegant appeal, while fully upholstered screens on lounge seating create unique pockets of privacy and swivel tablet arms provide functional personal surfaces.

APPROACHABLE APPLICATION

Zoetry offers distinctive design impact for a diverse range of applications. Elements are easy to plan for a variety of elegant, approachable spaces that come together with finesse.

Contrasting thread color option

Integrated power on seating and tables
