

WorkZone[®]

Desking System

beautifully designed | highly adaptable | surprisingly affordable

Furnishing Knowledge[®]

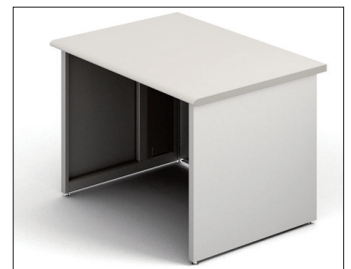

Choose from four edge treatments: two postformed options, T-edge and PVC edge.

PowerUp® modules feature one duplex receptacle and two data ports.

Desk with casters provides mobility and flexibility.

Full end panels complete worksurface ends or stand-alone worksurfaces.

Private Places or Collaborative Spaces

WorkZone desking systems create attractive work areas while supplying power and data when and where users need it. Whether a technology-based training room, collaborative meeting space, interactive classroom or private office, WorkZone delivers.

Freestanding desks are available in a variety of shapes – curvilinear, square, rectangular, triangular and corner shapes. Worksurfaces are offered in multiple heights, maximizing comfort and increasing flexibility. Freestanding worksurfaces allow users to transition between different styles of work.

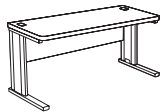

KI offers an array of optional accessories which integrate seamlessly with WorkZone. Mounted storage options offer easy access to files, office supplies, and personal belongings.

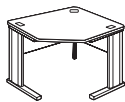

Specify tackboards, tool rails and paper management accessories to personalize space while also making it functional.
