Modular Seating
reconfigurable | functional | flexible

Furnishing Knowledge®

DESIGNED TO DEFINE

Say hello to Hub®, a versatile modular seating collection with clean lines and subtle curves that creates spatial boundaries and enhances flexibility in multiple environments.

Hub's comprehensive statement of line features lounge chairs, sofas, tables, ottomans, benches, wedges and more – all of which can be arranged into compelling modular configurations or specified as individual pieces while keeping the same aesthetic throughout an environment.

MODULARITY MEETS SIMPLICITY

Hub takes the complexity out of modular seating. With its ease of reconfiguration, Hub allows you to create a variety of settings without any of the hassles or complexities you'd expect with traditional modular seating.

Simply rotate the ganger mechanism on the bottom to ungang units and rearrange or use as stand-alone pieces. Hub's waterfall seat edges provide comfort whenever and wherever Hub is specified.
