

HUB[®]

Occasional Tables

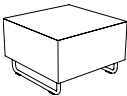

Versatile and modular, Hub occasional tables complement Hub lounge seating whether planned inline or standalone. Create functional spaces with a sled base to support mobility, plus options for power and design choice.

HUB OCCASIONAL TABLES FEATURES

- A. Power**
Provide device charging and direct AC power with optional power modules available in white/white, black/black or silver/white combinations. Each module has one 15-amp, 125 volt AC simplex receptacle with one 2.1-amp, 5 volt DC USB Type A + C port per module.
- B. Material Options**
Worksurface and base available in all KI standard laminate and paint finish options. Contrast or match laminate tops and sides.
- C. Ganging**
Hook and post system allows for easy ganging to create and rearrange modular configurations between any Hub lounge and/or table units.
- D. Base**
Sled base provides easy movement and durability.
- E. Glides**
Optional nylon glides available.
