

# BOBBR™

Undermount Storage

## CONVENIENT & COMPACT

Bobbr is a convenient undermount storage unit with clean and compact design. Featuring top and bottom storage compartments, the unit can be specified with an open front or with a top drawer or bottom door or both. Available in contrasting paint, drawers and doors have seamless fronts with a push-to-open function and locks that keep items secure.

Enhance with USB-A power, a hanging metal shelf for the cubby, and peg accessories conveniently designed to fit within any of the front and side perforations on the Bobbr unit.

## STATEMENT OF LINE

Keep belongings within reach with Bobbr undermount storage. Available on select KI tables, including Toggle and WorkUp, Bobbr seamlessly raises and lowers with height-adjustable surfaces.
