

# Connection Zone®

## Mobile Screen

*Spark creativity and define work zones*

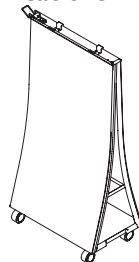

**Agile** - multiple screens can be ganged together to create, define, and delineate work space.

**Engaging** - writable, mobile screens offer the freedom to brainstorm, conceptualize and create on a large canvas.

**Visionary** - unique optional printed patterns allow natural light to permeate space.

**Options:** accessory tray, writing pads, gangers, variety of insert materials - acrylic, steel, tackable fabrics
