SIMPLE ELEGANCE

Lyra lounge furniture features a fresh, modern interpretation of a classic design that provides a powerful, yet understated visual language to complement virtually any environment.

DYNAMIC VERSATILITY

Its simple form and elegance are enhanced through the use of mixed materials, allowing for a dynamic visual range that bridges the gap between formal and informal settings.

Lyra is ideal for creating visually compelling yet functional spaces that are as impressive as they are welcoming. The line features three different base styles: lounge (sled base), parlor (wood base), and club (pedestal base).
