

U-SERIES®

Storage

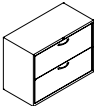

Practical, yet sophisticated, U-Series storage elements maximize space, making the most of small footprint areas without compromising functionality. From lower panel heights to collaborative and shared work areas, U-Series storage supports flexible and affordable planning options. Laterals, pedestals, overheads and underheads plus wardrobe towers keep essentials within reach.

U-SERIES STORAGE FEATURES

- A. Steel Construction**
All U-Series storage items are made of high-grade steel to ensure durability and stability.
- B. Color Options**
A diverse variety of powdercoat paint options are available for design freedom.
- C. Locks**
Key locks (P-Series) can be specified as randomly keyed, without lock core, or keyed alike and are compatible with other KI key-alike storage lines. Locks are available in black or satin chrome finishes.
- D. Pulls**
Simple, nickel-plated loop pulls are ADA compliant. Connection Zone pulls are also available.
- E. Drawers**
Box and file drawers feature smooth riding ball-bearing slides. Box drawers feature three-quarter travel, file drawers feature full extension. Connection Zone pulls are also available.
