The 12" post includes parts for both a table-edge mount or grommet mount and supports monitors up to 14 lbs. Clamp and grommet mounts adjust to fit most workspaces. Grommet clamp has a range of 0" to 3.5". Arms have an integrated wire management channel and cover.

Quick Connect Bracket allows for easy setup of all monitors.

Clamp mount has a larger surface for greater stability. Tool-free knob allows for easy mounting.

Monitor Arms

Raise it. Lower it. Swivel it. Tilt it. Ideal for adjustable-height and high-tech workstations, KI's user-friendly Monitor Arms are simple and flexible.

With 24" reach and 13" counterbalance height adjustment, KI's Monitor Arms offer versatile options for attachment while supporting sit/stand capabilities. Monitors can be rotated for either landscape or portrait views.

Refined aesthetics, modular construction and intuitive design make KI's Monitor Arms a smart choice for any computer screen support application. Available in black, white or silver.

(monitor not included)
