LUCE DI CERAMICA

STONESOURCE

VITA LUCE DI CERAMICA

New colours have been added to Vita Luce di Ceramica. As with the collection's existing colours, Navy, Green and Bordeaux's crisscrossing lines and interplay with light transform wall surfaces into huge murals. Instead of taking advantage of lines on different levels, Vita Luce di Ceramica focuses on their subtle delicacy, using shadow play on the 20x20 cm tile surface to trigger ongoing volumetric effects.
