

PS-55

15AMPS MAX 120VAC 60HZ

Charging Only

PS-55 power supply

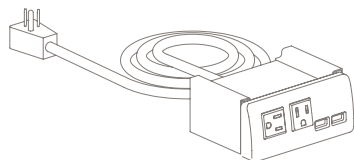

The PS-55 power unit is a versatile solution with two front-facing outlets and two USB-A charging ports on the front for easy access to power and device charging. It also features an additional outlet on the back, providing flexibility in device connectivity. With a 10-foot cord, UL listing for safety, and available in black or white, the PS-55 is a practical choice for managing power needs in the office.
