

PS-60

PS-60 power supply

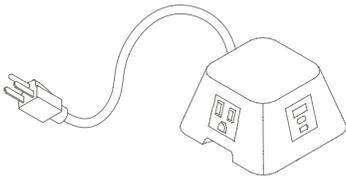

The PS-60W effortlessly combines style and functionality in any workplace. You have the option to customize it with a green accent using its removable top, or you can choose from four color options to add a pop of color, complemented by a braided cord. Its portable design makes it easy to move around. Equipped with two 15-amp outlets and two 2.1-amp USB charging ports, it's the perfect choice for charging multiple devices.
