

PS-41

# PS-41 power supply

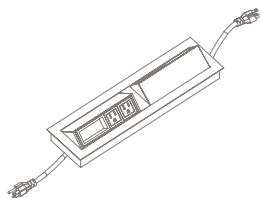

The PS-41 dual-sided power unit is a versatile solution featuring two outlets on each side, as well as two blank data ports for customizable connectivity. With two 72-inch cords, it provides ample flexibility for device placement and cable management. UL listed for safety and adorned in a sleek silver finish, the PS-41 is a reliable and stylish choice for powering and connecting devices in a variety of settings.
