

## Rough and Tumble Collection

The Rough and Tumble collection gives spaces versatile textural dimension inspired by tweed fabrics. The collection features two styles of modular plank that can be combined or used individually: Rough offers all-over tonal shading with a nubby, organic feel; Tumble brings in tonal flecks and shading with an undercurrent of linearity. In cool and warm neutrals that are easy to incorporate into any design palette, the Rough and Tumble collection delivers rich texture with classic, comfortable style.
