

White Sands Collection

Mannington
COMMERCIAL

Craft Your Oasis

Step into the serene world of the White Sands Collection. Inspired by the sacred geometry and breathtaking landscapes of White Sands National Monument, this LVT collection brings a sense of tranquil calm and rejuvenation to any space. By exploring the delicate balance between symmetry and asymmetry found in nature, the intersecting paths in White Sands mirror our connection with the celestial realm, creating a soothing atmosphere suitable for schools, offices, healthcare facilities, and retail spaces.

White Sands

At Mannington Commercial, we proudly manufacture the vast majority of our LVT right here in North America, including White Sands. By controlling the process from start to finish, from design to material sourcing to delivery, we are able to bring you hard surface flooring products that are optimized to fit your needs.

Crafted by the Industry Leader in LVT

2.5 mm Thickness

Natural Beauty, Outstanding Performance

- Abstract visuals coordinate beautifully with Mannington Commercial's other collections

Quantum Guard Elite®

- Best in class abrasion resistance
- Easy maintenance
- Stain resistance that endures

15-Year Quantum Guard Elite® warranty

105% Carbon Offset

- Recognizing the impact that the built environment can have on Earth's climate and health, Mannington Commercial is improving operations and offsetting cradle to gate embodied carbon by 105% on our domestically manufactured flooring products as part of our commitment to helping customers take positive action through their projects.

Crystalline (7.25" x 48") - Mint WS112

Made in the USA

Crystalline (725" x 48") - Prairie WS311

Crystalline (12" x 24") - Gypsum WS211, **Glyph** (12" x 24") - Sanctuary WS300

QUANTUM GUARD®
elite

Success Is in Our Science

Quantum Guard Elite is a proven, patented technology that provides the ultimate solution for all aspects of LVT performance.

- Highest scratch resistance in the industry
- Engineered for best-in-class dimensional stability
- Superior impact resistance
- Cuts cleanly for highest quality installation
- Easy no-polish maintenance significantly reduces overall life cycle cost and total cost of ownership
- Advanced stain resistance

Outperforms in Scratch Resistance

Quantum Guard Elite

Leading Competitor

With a patented two-part wear layer and aluminum oxide infused top coat, Quantum Guard Elite offers superior scratch resistance vs. the leading competitor.

Complete Multi-Layered Protection

Quantum Guard Elite combines a hard wear layer and a flexible wear layer for superior durability with the added protection of our proprietary aluminum oxide technology.

Best-in-Class Dimensional Stability

Quantum Guard Elite

Leading Competitor

LVT with Quantum Guard Elite is fully engineered to offer the perfect balance of hardness and flexibility, which helps prevent product failures in commercial environments. *(Products exposed to 80 °C for six hours.)*

Warranted to Work

Products with Quantum Guard Elite feature our Limited Quantum Guard Elite Wear Warranty and Limited Commercial Warranty.

Edge Effects Wall Base Collection

An architectural accent, creating the elegant effect of a milled wood base without the expensive installation, indentations, scuffs, and abrasions. Requires no nailing, priming, or painting. Co-extruded thermoplastic rubber (type tp) engineered for flexible application to walls, corners, and columns.

40 Colors

17 Styles

In a smooth, matte finish for a flawless look in any room.

7 Profile Heights

Style-dependent, in four thicknesses.

Color/Pattern Variability

Color and visual variation are inherent in all resilient products. Variability can fluctuate from slight or significant, and from tile to tile. Our pattern variability ratings range from low (little variation) to high (significant variation).

Low
Slight variation

Medium
Moderate variation

High
Substantial variation
