

A man and a woman are standing in a modern kitchen. The woman, on the left, has long, dark, curly hair and is wearing a green and red plaid blazer over a dark top, blue jeans, and tan high-heeled shoes. She is holding a small glass of water. The man, on the right, has a beard and is wearing a blue button-down shirt, blue jeans, and tan shoes. He is smiling and looking at the woman. They are standing in front of a large, light-colored wooden cabinet. On the counter to the left, there is a framed picture of a landscape, a small potted plant, and a pink ceramic pitcher. The floor is made of dark wood planks. The background shows a large window with a grid pattern, looking out onto a city street.

Mile Marker.G2
MODULAR CABINETRY

Elevating workplace & education environments

Mile Marker.G2 is designed to balance aesthetics, functionality, adaptability, and cost-effectiveness.

It transforms spaces with purpose-driven design, offering storage solutions and customizable features that create adaptable environments for engagement, collaboration, and restoration.

FEATURES & BENEFITS

- 1. Soft-close doors and drawers**
eliminate noise and keep drawer contents in place.
- 2. Pull out trash cabinets** conceal bins while maximizing floor space.
- 3. Storage cabinets** keep workspaces clean and organized while ensuring quick and easy access to essentials.
- 4. Toe kicks (4" and 6"h)** accept laminate toe kick rail or vinyl cove molding and help prevent damage to cabinets.

ADDITIONAL OPTIONS

Sloped top panels help prevent build-up of debris and create unique elevation details.

Upper and lower cabinets seamlessly integrate appliances, creating a cohesive look.

Paper sorter cabinets keep mail and documents organized, reducing clutter and improving efficiency.

Wall panels enhance a space, new or existing, with style and functionality.
