Arm options

- Arms can come low, mid, and high height
- High back units can have all three arm heights
- Mid back units can only have low and mid heights

Multiple textile options

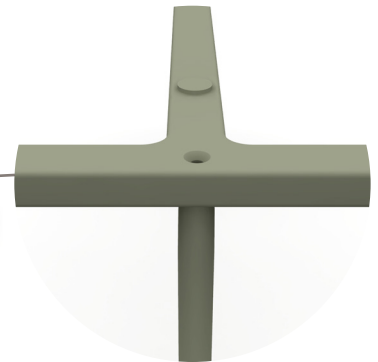

Ganging

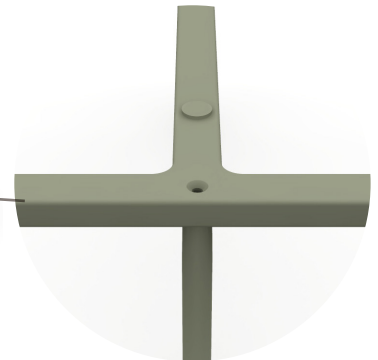

- Coact lite gangs its frames together creating a shared leg
- The joint on the shared leg is determined by the units being ganged together
- Ganging specification is on the left and right leg
- Freestanding units can also be ganged together with separate ganging device that clamps legs together
