QUIETLIFE

FLEXFORM SOUND™ LVT

With a range of inviting hues and patterns, the QuietLife collection makes crafting simple, natural and functional spaces possible. Designed with a gentle modern influence, QuietLife promotes a feeling of calmness with its aesthetics and superior acoustic performance.

THE QUIETEST.

Noise is unpleasant, often causing stress which affects both mental and physical health. In workplaces with excessive noise, absenteeism can actually increase. Flooring is one of the biggest factors affecting interior acoustics and with the popularity of resilient, this can be a significant challenge for any environment.

FLEXFORM SOUND™ LVT

Built-in acoustic layers enable dramatic acoustic performance, reducing through-floor noise and in-room noise by **50%***

FOLKWOOD

LONGSTRAW

THE LOOK OF NATURAL, CRAFTED MATERIALS.

With the QuietLife collection, you can design spaces with varying degrees of serenity and energy. From minimalist to abstract—Folkwood and Longstraw offer a range of natural hues and dynamic colors.

MERGE TWO SOFT, RELAXING PALETTES TO ENHANCE ANY SPACE

The Scandinavian-inspired QuietLife resilient collection pairs perfectly with the handcrafted aesthetic of the Grain + Bias carpet collection. Blend a range of neutrals, colors and textures to create cohesive spaces.
