Reinterpret + Redefine. Nature's Archetype.

Inspired by nature's enduring artistry, **Lithic** is a soft surface collection reflecting the beauty of a classic aesthetic. Building upon a foundation of stone visuals, the collection incorporates unexpected elements for a playful juxtaposition of traditional and modern form. Lithic can be used to make an impact, construct a story or provide a quiet backdrop, creating subtle or striking statements that can stand alone or together, effortlessly.

REFLECTING THE BEAUTY OF A CLASSIC AESTHETIC. /

Available in four styles in different constructions, Lithic soft surface offers a multi-priced solution for maximum design flexibility. The 18x36 inch carpet tiles are available in seven colorways, using pattern, texture and vibrant accents as coordinating components within a synchronized flooring system.
