

ZENTORI™

Task and Conference Seating

WHERE COMFORT MEETS CHOICE

Zentori task and conference seating delivers a residential feel with professional functionality. Features include weight-activated recline for the chair model, and optional tension and lumbar adjustments. Its cohesive design language across back heights ensures a consistent aesthetic throughout the space while allowing users to choose the model that best supports their tasks and preferences.

ZENTORI STATEMENT OF LINE

More options available. View full details at ki.com/zentori.

Zentori is available in fully upholstered high-back, mid-back, and low-back chairs as well as a low-back stool option in three frame finishes, black, white, and warm grey. Choose between traditional or designer casters. The designer casters and an optional polished aluminum base elevate the aesthetic.
