

Inspired by the textured rock formations atop craggy mountain peaks, pattern **Pinnacle** utilizes a thick and thin slub yarn in multiple colors along with a random warp patterning sequence to achieve its ruggedly beautiful surface.

The Arc-Com design studio delivers a unique, multi-purpose surface texture with the addition of pattern Pinnacle. Offered in eleven colorways, the palette for **Pinnacle** offers grey, beige and taupe neutrals alongside brighter oranges, aquas, and blues. Pinnacle can be used for panel applications (passes ASTM E-84 unadhered) or anywhere high durability and bleach cleanability are required--All at a very reasonable price point!

PINNACLE

Content 100% Polyester

Environmental AB-2998 Compliant: Flame Retardant Free

Antimicrobial | Antibacterial Free

Non-PFOA, Non-PFOS Stain Resistant Finish

Heavy Metal Free LBC Red List Free

Proposition 65 Compliant

Finish Stain Resistant

Cleaning WS, Bleach Cleanable
