

OVERVIEW

Flowform Learn Lounge Trees may help immerse students and teachers in the healing power of biophilic design. Imagine how these airy designs could bring the restorative power of nature inside to help improve students' cognitive function and overall well-being.

MATERIALS

Flowform Learn Lounge Tree are crafted from sustainable, sound-dampening PET felt. The trees can stand alone or be grouped to create an immersive canopy. Light-weight pre-cut panels are easy to move, assemble and dissemble for compact storing.
