

OVERVIEW

Elemental tables have optional colored casters and matching colored leg sets. The unique full-color leg comes in three options fixed height, adjustable height and adjustable height for use with casters.

When using a caster pack on Elemental Activity Tables, we recommend using our 'EC' Fixed-Height leg set, which when paired with our 3" casters makes the table height 30".

When ordering a caster pack with your Elemental Activity Table, be sure to pair the correct Model Number. 4-packs pair with 4-leg tables, 5-packs pair with 5 leg tables and of course 6-packs pair with 6-leg tables. See table below.

LEG STYLE

1. EG - Fixed-Height 30"
2. EC - Fixed-Height 27" (use w/ 3" casters = 30"H).
3. EA - Adjustable Height 19" - 33" (with glides)
4. EL - Low Range Adjustable Height 11" - 17" (with glides)

3" Casters make table height 30."
Specify leg style (EG, EC, EA, EL)

OPTIONAL CASTERS

Optional dual-wheel 3" casters available, ordered separately as their own line item.

DIMENSIONS
