

OVERVIEW

The sophisticated Planner Studio tables are designed to meet the needs of your Makerspace. The Planner Studio Foot Rests are shipped ready to attach to your Planner Studio table.

MATERIALS

The Foot Rest bars are constructed of 14-gauge steel finished in a platinum powdercoat paint finish. The top of the Foot Rest comes with a pre-installed grip tape.

The Foot Rest mounts easily to the matching Planner Studio table frame with a set of mounting rails. The rails mount securely to each predetermined location on the Planner Studio leg set.

FITMENT GUIDE:

When Foot Rest is installed, it is recommended for standing use, chairs and stools will not slide past the foot bar.
