	Sit+Stand and Desk Column	27.5	8.25	8	10

OVERVIEW

With the Silhouette Teacher's Sit + Stand, teachers have the flexibility to use the desk as an add-on conference top when paired with a bullet Cascade teacher's desk or as a mobile teacher's lectern when pulled away. Styled to match the current line of Silhouette tables and desk, this mobile desk comes with lockable casters and angled legs to allow feet placement underneath desk.

MATERIALS

The 3/4" thick work surface consists of a 45 lb density particle board core with a 0.030" high pressure laminated surface and a 0.020" melamine backer sheet. The edge of the tabletop features your choice of a bullet t-mold edge or 4mm t-mold, which is then fastened to the underside of the work surface every 6 to 8 inches to assure a long lasting fit.

The base is constructed of cold rolled steel and the column is a combination of steel, aluminum, and plastic.
