Life  
Work Chair

Light. Flexible. Environmental.

With intuitive adjustments, a slim silhouette and a broad color and finish palette, Life sets the standard for ergonomics and innovative design. The advanced control automatically adjusts to the weight of your body, providing personalized and effortless ergonomic support.

- A A synchronized recline mechanism with auto-balanced tension offers a fluid, natural movement of the mechanism, supporting reclined upright forward seating positions without the need for manual adjustments
- B The innovative flexing seat pan alleviates pressure points, allows for proper circulations, supports perched postures and eliminates the need for thick foam upholstery
- C Life Back Suspension Fabric is an exclusive elastomeric knit that is soft, resilient and durable that provides integral pelvic, lumbar and shoulder support
