

Liuku Pendant, Drop w/ Shade

Linden wood
and hand-blown glass

Crafted from solid pine wood, Liuku Pendant leaves its focus on the simple silhouette. The Liuku Pendant collection consists of two base shapes, 'Ball' and 'Drop', with an additional hand-blown glass shade. The minimalistic design makes the Liuku Base ideal both hanging as a single pendant, aligned or in decorative clusters for both residential and commercial decor.

Repair for long lasting

Good products, are made to be used. To give the products the longest possible life, we want to make it easy for you to repair them yourself.

Contact our customer service for more info [here](#)

CO₂ Footprint

At Mater, we believe in the importance of transparency. By doing Life Cycle Assessments (LCA) on our furniture, we can analyse the total climate emission for each of our product's lifespan.
