Accent Side Table, Small

FSC® certified oak wood

Accent Side Table is designed by the Danish architect duo Space Copenhagen and combines a sculptural and handcrafted aesthetic. Following along the same bloodline as the highly successful 2009 Mater High Stool, the Accent table collection consists of four sizes of side tables, a larger oval lounge table and two round dining tables. The various sizes allow for creativity and flexibility in configuration, creating different atmospheres for both home and public spaces.

Mater Sustainability Factsheet

FSC® Certified wood

From the very beginning, we have used FSC-certified wood for all wooden products in our collection. In an FSC® certified forest, no more trees than the forest can reproduce are felled, so the exploitation of nature is avoided.

Find our FSC® Certificate [here](#)

Mater Take-Back

We unhesitatingly offer to take all our furniture made from Mater back at the end of its life to recycle it into new furniture.

Repair for long lasting

Good products, are made to be used. To give the products the longest possible life, we want to make it easy for you to repair them yourself.

Contact our customer service for more info [here](#)

CO₂ Footprint

At Mater, we believe in the importance of transparency. By doing Life Cycle Assessments (LCA) on our furniture, we can analyse the total climate emission for each of our product's lifespan.
