WELCOME TO THINSCAPE® COMPOSITE TOPS.

YAMUNA
QUARTZITE
TS203

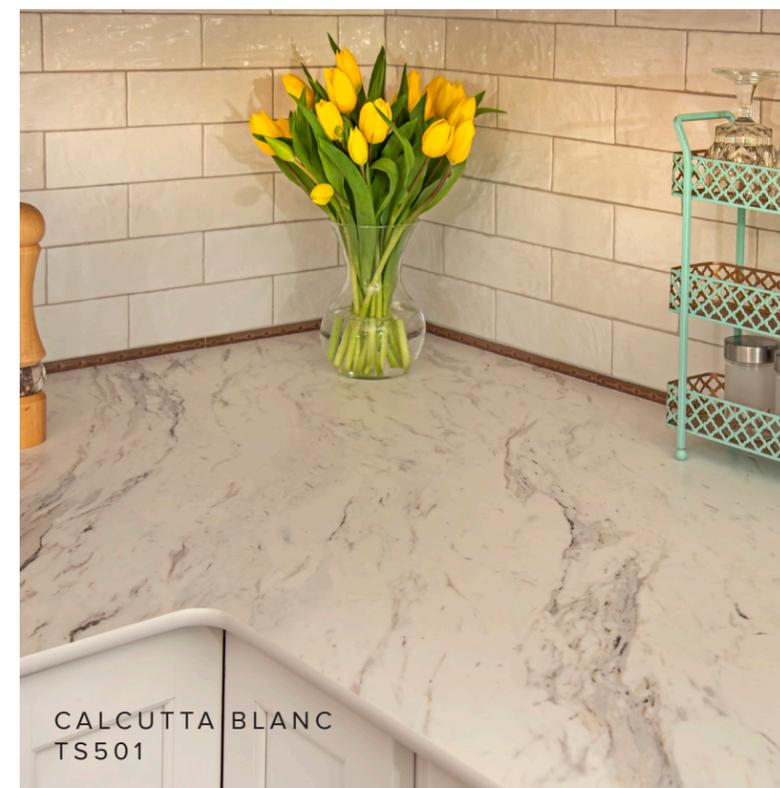

BOSCO OSCURO
TS406

Thinscape is revolutionizing the future of surfaces. European-inspired and ultra-thin, this elegant composite is a rare combination of sleekness and strength.

Thinscape embraces the beauty of nature with intricate details and lightly textured sheens. Specific designs also feature a color-coordinated core for crisp visual continuity. Start exploring a design catalog that delivers timeless style for every aesthetic, every project, and every vision.

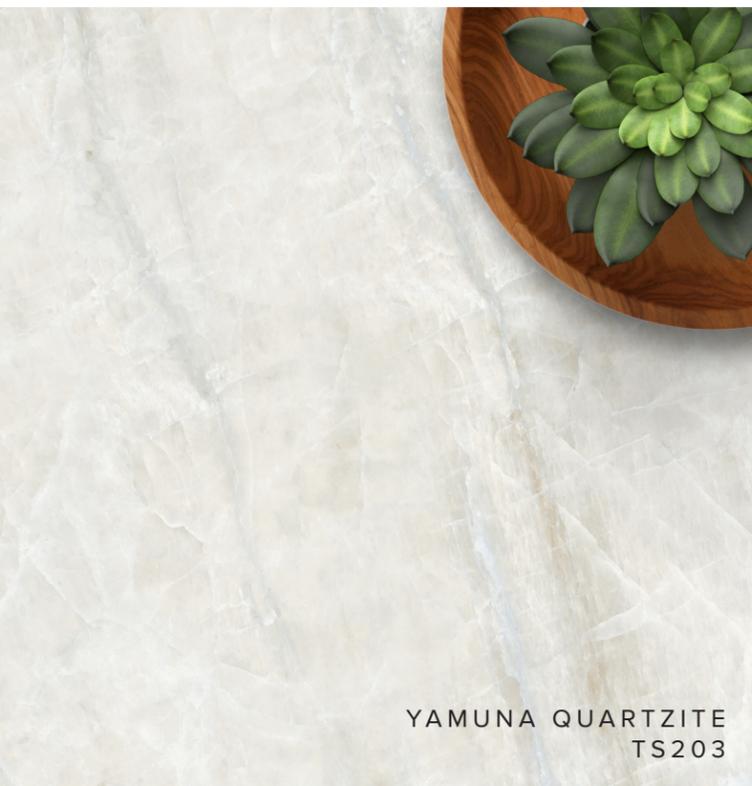

THINSCAPE IS A SLEEK, DURABLE SURFACE.

Thinscape is an engineered composite made by fusing papers and resin under high heat and pressure. The result? A sleek, durable surface that gives your project more long-term performance than practically any material on the market.

NEW 2024 COLLECTION

New Thinscape designs give you more. More design within reach — and more performance without compromise. Explore new stone designs that are ready to transform any space and are backed by Wilsonart's commitment to service. Discover the possibilities and ignite your creativity.

**YAMUNA
QUARTZITE
TS203**

Named after the storied Yamuna River in India, this quartzite-inspired design features a soft, creamy white quartzite structure with subtle accents of gold, brown, and beige directional veins. This design has a Luster finish for a semi-gloss sheen and a smooth surface.

ALMOND CORE

**MIDDAY
MAHAL
TS202**

A quartzite structure that embodies the warm background, slight translucency, and thin veins of popular Taj Mahal quartzite stone from Brazil. A Luster finish elevates the neutral coloration and directional vein movement with a semi-gloss sheen and a smooth surface.

ALMOND CORE

**BOSCO
OSCURO
TS406**

Explore the depths of design with Bosco Oscuro, an Italian description that translates to “dark forest.” This black, richly textured marble offers warm-colored vein accents of gold, copper, and cream. This design has a Luster finish for a semi-gloss sheen and a smooth surface.

BLACK CORE

**NOTTE NERA
TS412**

“Notte Nera” translates to “black night” in Italian, inspiring this Brazilian Arabescato dimensional marble with a background of inky blacks and shadows of grey. The large-scale movement is further elevated by a smooth Luster finish.

BLACK CORE

STYLE THAT'S ENGINEERED TO LAST.

BEAUTIFUL DESIGNS

A diverse selection of nature-inspired designs enhanced by classic textures and realistic details.

EASY TO MAINTAIN

Highly cleanable, stain resistant, and no sealing required — ever.

INCREDIBLE DURABILITY

Just ½-inch thick and crafted to resist impact, abrasions, scratches, and moisture. Backed by a 10-year limited warranty.

ECO- FRIENDLY

Declare label, HPD, and UL GREENGUARD Gold certified. Available in multiple sizes for better yield and less waste.

EASY TO FABRICATE. EASY TO INSTALL.

Thinscape is easy to fabricate with simple woodworking tools. No surface sanding is required — just sand the edges to your desired profile.

Thinscape is also easier (and quicker) to install than competitive surfaces. No substrate is required, and the surface can be installed with undermount sinks. And at just 3.6 pounds per sq. ft., Thinscape is easy to handle and transport.

Thinscape is available in multiple sizes for better yield and less waste.
