GIALLO SIENA

Giallo Siena, a renowned marble quarried in the town of Siena in northern Italy, has adorned palaces, cathedrals, and opulent villas for centuries. A quintessential stone of the Italian Renaissance, Giallo Siena features bold swathes of deep vanilla, intense saffron and burnished, tawny bronze. Offered in 2cm, polished and 12"x24" tiles, honed.

Honed

NOTES

[1] Alternate setting material: Ardex 100% Solids Epoxy Adhesive White or Mapei Kerapoxy 410
[2] Alternate grout: Ardex DG-1 - One Component Grout or Mapei Keracolor Unsanded

Tech notes: Showers: Product MUST be installed in accordance with current TCNA Handbook Stone Methods. White mortar is recommended for natural stone. If job requires mud work, White Portland Cement must be used. The NSI recommends installing resin or mesh backed stone field tile must be installed with epoxy mortar or a combination of suitable primer and cement based mortar. Consult your setting materials manufacturer for specific recommendations. Minor vein washout is possible in wet areas. Factory repaired fissures and fills to be expected in field tiles.
*Refinishing is currently not available due to machine marks.
