

CALACATTA MONET SLAB

Every now and then a slab enters our gallery and everything stops. The buzz around Calacatta Monet is real - it's an incredibly beautiful Italian marble, and its burgundy-lilac veins and ivory clasts are everything Artistic Tile loves in natural stone. Stocked in limited quantities in 2 cm polished slabs.

NOTES

¹ Minimally sensitive to acids. Contact with acidic foods should not cause etching.
² Outdoor Kitchens: Quartzite are treated with resin and may yellow with UV exposure; change will be less visible on dark or colorful stones.
³ Showers: Product MUST be installed in accordance with current TCNA Handbook Stone Methods.
⁴ Please see NSI DSDM (Dimension Stone Design Manual) for all installation instructions.
Tech Note: The N.S.I. recommends installing resin-backed stone with epoxy-based setting materials. Consult your setting materials manufacturer for specific recommendations.
