

SFERA *by* ALISON ROSE

Sfera by Alison Rose posits circles upon circles - spheres that seem to bounce across the surface of the tile to create an “infinite” mosaic, with multiple stones placed randomly within the design. The combination of colors and circles is strikingly sophisticated in two timeless colorways. Verde combines Verde Aurora, a vibrant green polished quartzite with polished & honed Nero marble. Lilac includes honed Lilac marble, polished Statuary, honed Calacatta Bluette, and honed Bianco Carrara. Sfera is also available in a variety of other custom colorways via Artistic Tile’s “Tailored To” program.
