HACIENDA COLLECTION

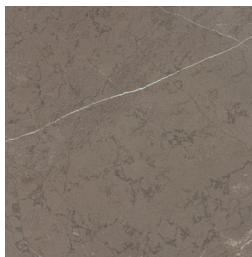

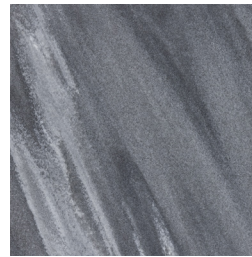

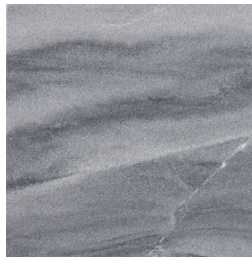

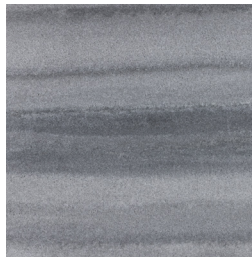

The Hacienda collection gathers three lovely Spanish marbles into a complementary collection that checkerboards perfectly, may be used independently, or layed out in a variety of other combinations. Macael White creates an ideal softly veined white base, and pairs perfectly with either the blue-tinged, storm-cloud tones of Macael Grey, or the marvelously variegated taupe of Portobello. All three tiles are offered in 18" x 18", honed.
