BIANCO CARRARA

Bianco Carrara, Michelangelo's material of choice, is your classic veined white marble. A sculptor's starting block and builder's foundation, this marble conjures up centuries of history and use. Originating from Italy's Carrara region, its cool-white coloring can be seen from a distance covering the mountains (easily mistaken for snow-capped peaks). Produced from one of the oldest working quarries, Bianco Carrara meets the needs of traditional to contemporary design. Our versatile, ultimate classic.
