

PINNACLE INDUSTRIALE

Since its introduction, Artistic Tile's marble Pinnacle has inspired architects and designers to add modern grandeur to projects, especially luxury residences. Pinnacle Industriale presents this angular decorative concept in ceramic tile. Offering dimensional chic ideal for all kinds of installations, Pinnacle Industriale has a special allure for commercial settings. The deep triangular flutes create a play of light that brings strong, architectonic impact to walls, which can be finished with a dimensional bullnose and a mini quarter round. Classic flat field in matching glaze and size (6" × 12") makes the collection a complete one. Colors are a classic creamy White, and a shadowy Black, both in satin finish, plus a sensually gleaming muted metallic Iron.
