Ignition® 2.0

UPHOLSTERED

Seating

Ignition® 2.0

Work changed, Ignition responded.

It all began with a spark. An idea that personalized comfort can energize a workforce. The idea caught on, and Ignition quickly became one of the bestselling chairs in history, creating the perfect fit for a wider variety of people, spaces and work styles. As work evolves, Ignition responds with enhancements that fit today's work and workers.

SLIM PROFILE BACK

The slim profile of the fully upholstered back has a sleek, modern design. Perfect for conference rooms, private offices and workstations.

INTEGRATED LUMBAR

Integrated adjustable lumbar moves up and down to get just the right lower back comfort on Ignition 2.0 upholstered models.

FLEXIBLE INNER-STRUCTURE

Unique hammock-like inner structure provides built-in support and comfort.

TOTAL CONTROL

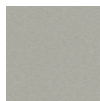

From a simple synchro-tilt without seat slide to an advanced synchro-tilt with independent back angle, you can choose the perfect option.

ACTIVE SUPPORT

Choose from fixed, height- and width-adjustable or all-adjustable arms to enjoy customized support.
