

Storyline™ Storage Capabilities

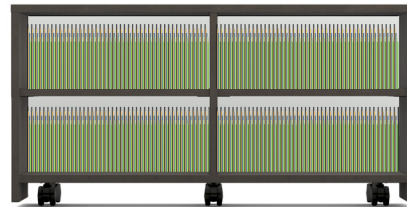

Discover Storyline™ – Tailored to accommodate a diverse range of book sizes and volumes for students K-12

This adaptable portfolio of multipurpose bookcases goes beyond simple storage—Storyline optimizes space efficiency and streamlines organization in school media centers by making every space functional and every book accessible.

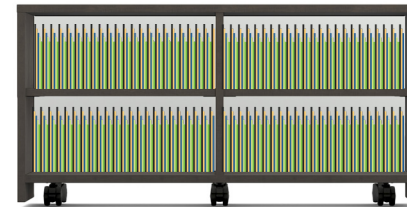

Below you'll find our clear, data-driven chart—a strategic tool to aid educational professionals in finding the Storyline products that best suit their needs. To take the guesswork out of ordering, we used average book sizes for different grade levels.

902 Books
