Private Offices

BUILT-IN BRILLIANCE

Turn up the personality in the private office—laminated media walls bring style, technology, and a bold upgrade to every workday.

STORAGE MADE SMARTER

Float some function into the private office—sleek floating shelves keep things light, lifted, and within reach.

Your Space Your Way

It doesn't matter if your space is large or small—Workwall is your solution to add exceptional organizational capabilities and seamless functionality to your busy environment. Add it to an existing space or design your world around it. It's a smart and beautiful way to take your space from so-so to something special.

Synthesize Your *Space*

Teaming Spaces

ANYTHING, EVERYTHING, EVERYWHERE YOU NEED IT

Whether paper or personal items, hanging accessories keep everything within reach—so your space (and your mind) stay clutter-free.

MORE COLOR, MORE CHARACTER

Pin it, post it, make it yours—tackable fabrics available in an array of colors let your brand shine.

Better Together

Workwall is reimagining the traditional teaming station. This smart and stylish solution not only makes a space more cohesive, it encourages the people who share the same environment to stay connected yet embrace individuality. From floating shelves that house framed photos and inspirational art to glass markerboards that help motivate, Workwall isn't just a practical choice, it's a punch of personality, too.
