

STASH™

arcadia

DESIGNING OPTIONS. FURNISHING ANSWERS.

STASH™

Like its name implies, the storage convenience of this stunning wood guest chair is second to none. Fold up and store on the wall, stack or nest together until the need arises. Stash is quick to set-up and always at the ready to become the purposeful solution, whatever and wherever the need.

STASH™ FOLDING GUEST CHAIR

PRODUCT SPECIFICATIONS

Beech wood folding chair available in all wood, or with upholstered seat pad option.

Stacks 3-high from the floor in nested or stacked position and 10 on a dolly.

Integrated notch on backrest provides wall-hanging convenience.

Accessories include wall peg for hanging and dolly.

Wall peg supports a single chair and features 4" clearance from wall to mounted chair.
