DESIGNING OPTIONS. FURNISHING ANSWERS.

TOOthePOINT

Delivering comfort, movement, and the right amount of surface to stay productive without overthinking it, TOOthePOINT takes a fresh spin on what a work-lounge product can be. Designed to support focused, independent work as well as lively collaboration when arranged in clusters, it flexes easily and with purpose to maximize its functionality. However it's used, it keeps things simple, smart, and—true to its name—to the point.

TOOTHEPOINT WORK LOUNGE
