# sunny kids

Meet Sunny Kids - the ultimate companion for little dreamers and big imaginations. Drawing upon the same elements as its adult counterpart, this vibrant seating collection brings together whimsical design and sturdy construction, offering a delightful blend of fun and functionality. With its charming tapered wood frame, plush cushions and customizable metal connectors on select models, Sunny Kids effortlessly transforms any space into a haven for creativity and endless adventures. Accompanying occasional tables - also perfectly sized for little ones - complete the collection.
