

With virtually **endless configuration options**,
Playground is a multipurpose modular bench collection limited only by the
imagination. Run wild with serpentine shapes or, play it safe with straight models
- whether you stick to the rules or make it up as you go along, Playground
provides all the function without spoiling the fun!

While Playground outwardly expresses a youthful sensibility, its offering of functional, work-ready accessories provide all the means to get down to business. An optional rotating tablet or stationary table-ette offer just the right amount of space for a laptop or tablet, while integrated power units ensure that visitors can plug-and-play for hours on end.
