

LULY RIGHT ARM LOVESEAT

Part Number(s): LYLVSRNA

Dimensions: 32" H x 57.5" W x 28" D

LULY SOFT SEATING:

Meet Luly

Luly was designed to encourage moments of tranquility, comfort, and relaxation. The aesthetics take on a higher-ed, residential feel, exuding hints of mid-century design blended with modern day needs. Sweeping, bold-rounded corners and generously stuffed cushions rest on minimal, tapered leg frames. Comfort and user experience are at the core of Luly's construction. The ergonomically designed seating features plush cushions, power integration, and ADA flexibility. The legs intentionally raise off the floor, allowing convenient floor maintenance while preserving the design appeal. A minimalist approach is closely regarded by asking these three questions: Is it comfortable? Is it necessary? Is it appealing?

Luly offers versatile modular seating solutions that effortlessly transform spaces of any size into welcoming areas for relaxation and meaningful connections.
