ZIP

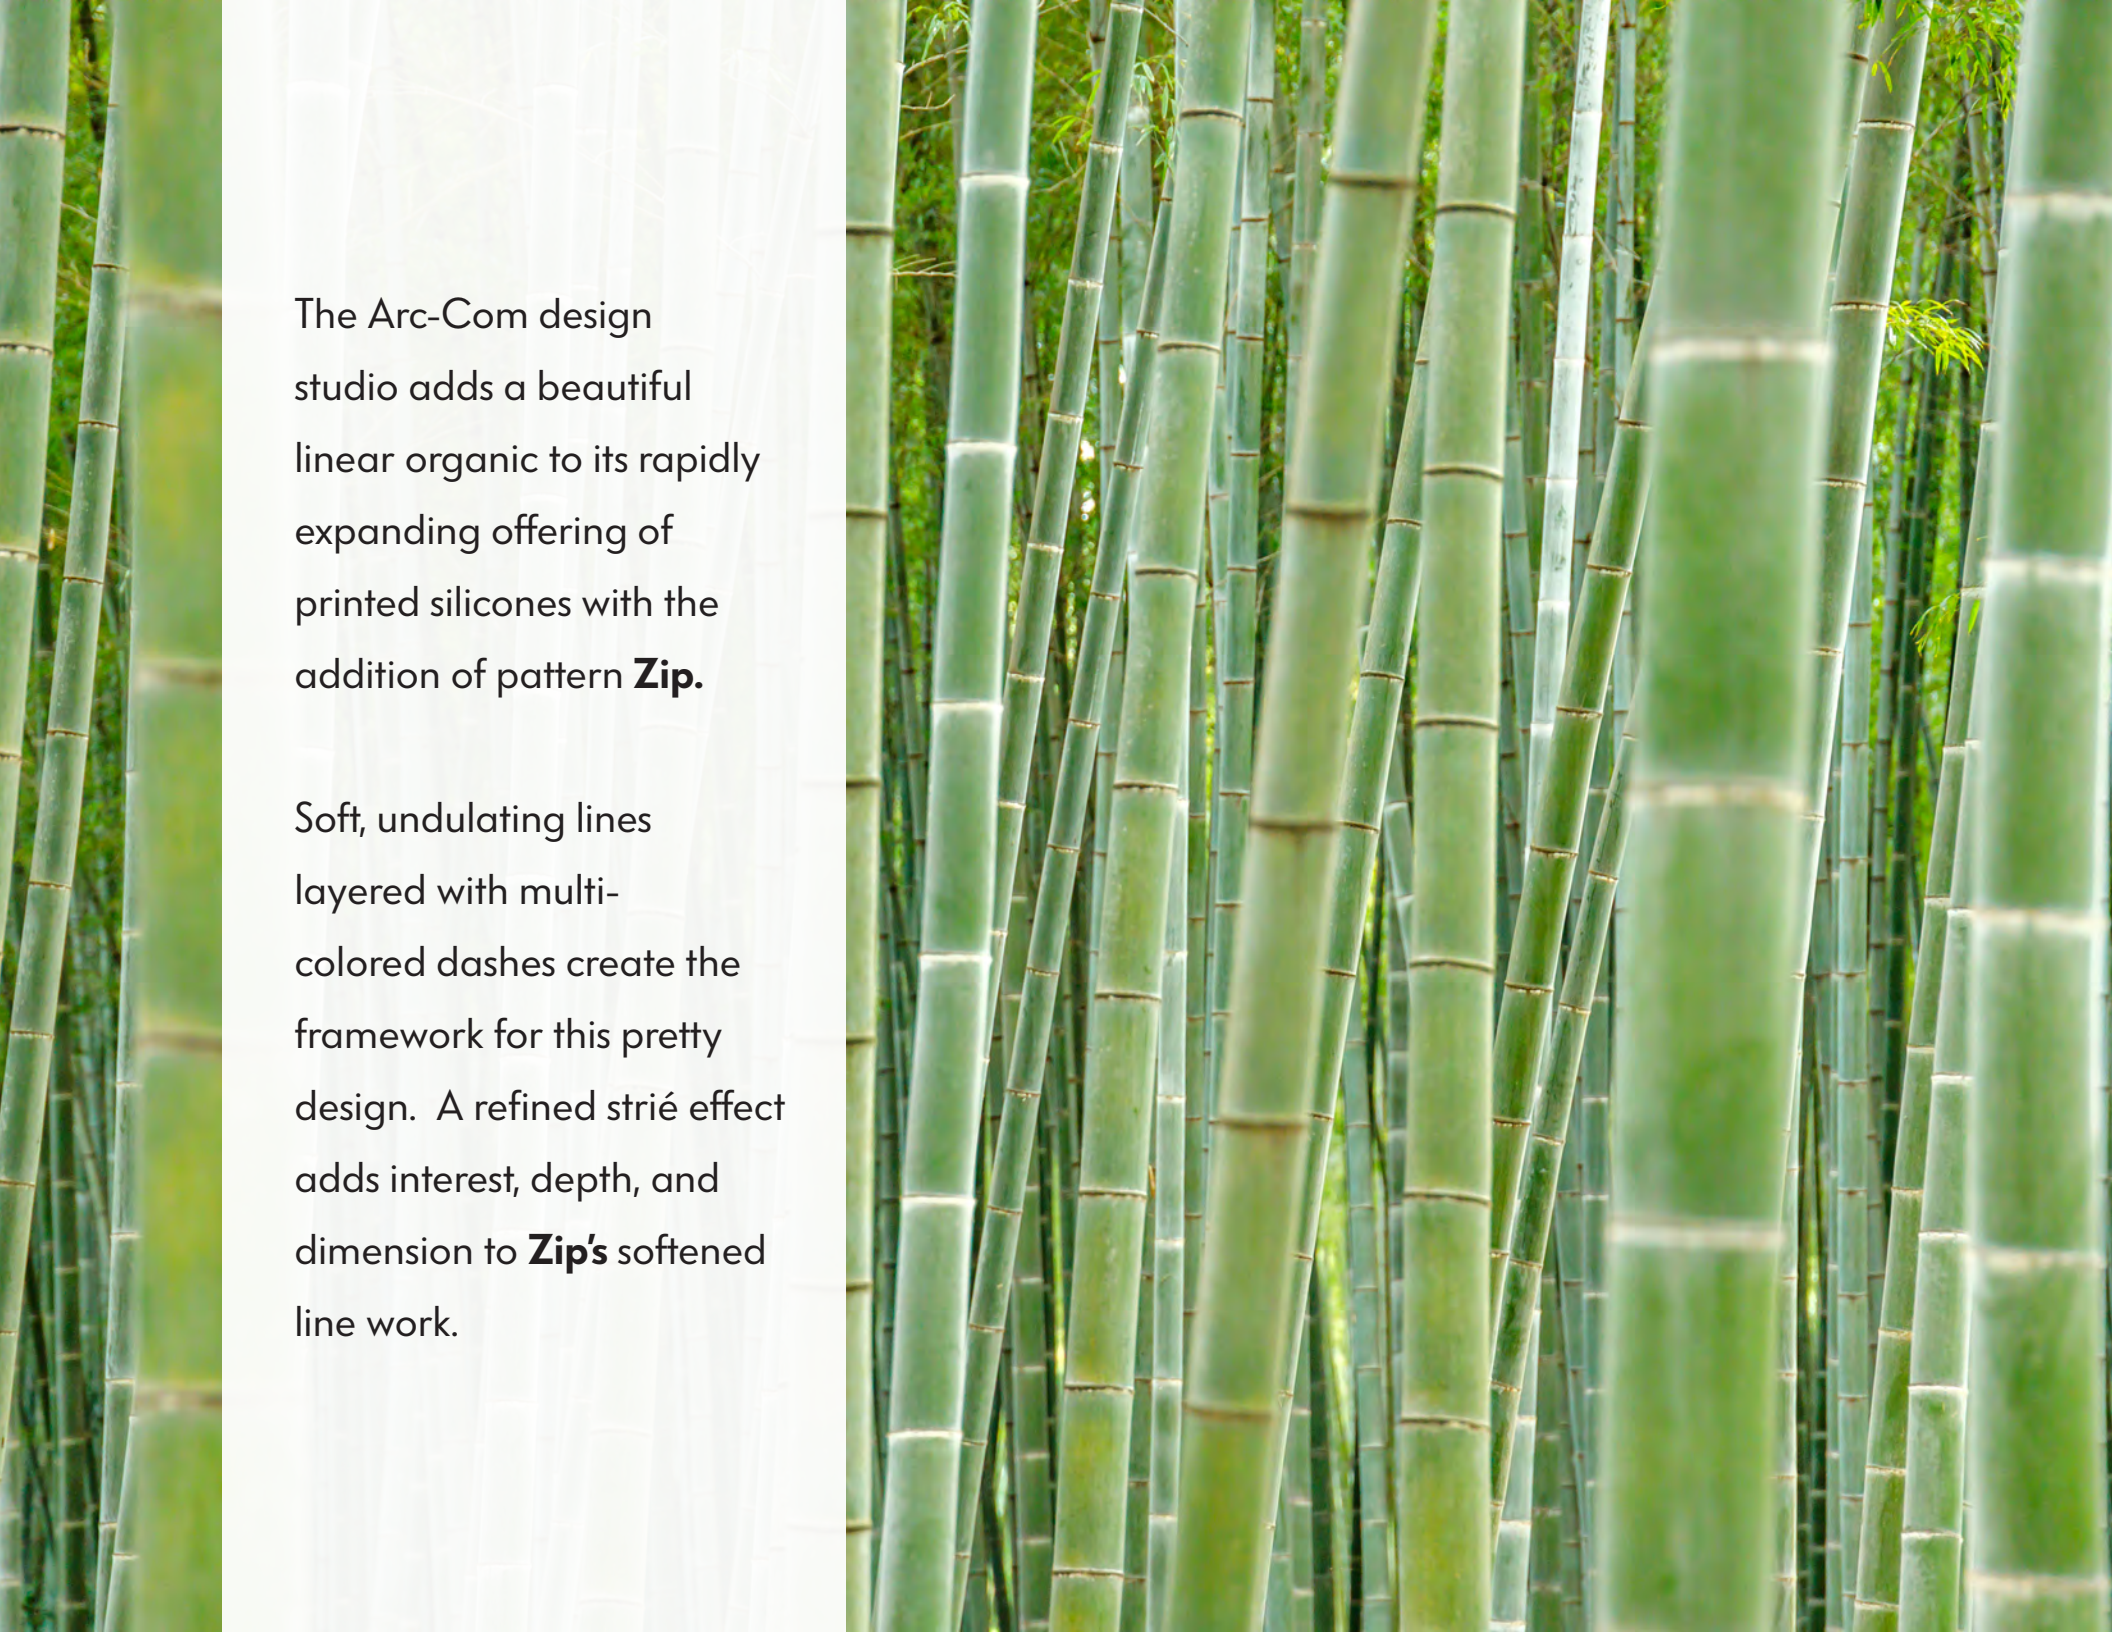

BLEACH CLEANABLE

EXTREMELY LIGHTFAST (TESTED TO 650 HOURS)

HHI COMPLIANT

DENIM DYE CLEANABLE

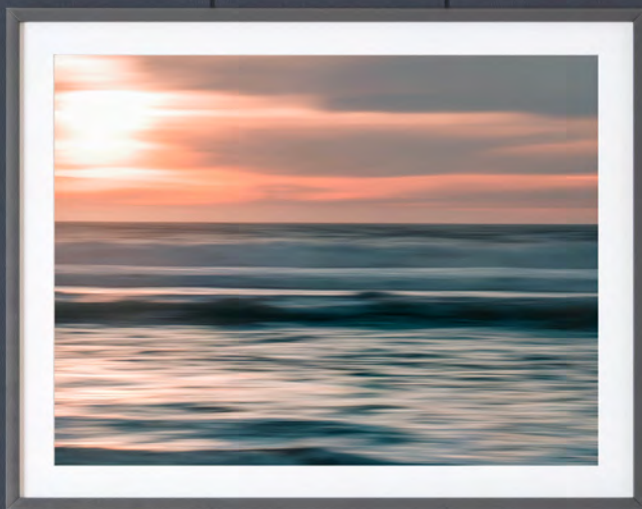

The Arc-Com design studio adds a beautiful linear organic to its rapidly expanding offering of printed silicones with the addition of pattern **Zip**.

Soft, undulating lines layered with multi-colored dashes create the framework for this pretty design. A refined strié effect adds interest, depth, and dimension to **Zip's** softened line work.

The palette for **Zip** includes sophisticated neutrals and a range of colorful brights. Soft greys, brown and taupe along with a selection of brighter blues and greens are included in this 14-sku color range.

ZIP

Content 100% Silicone Face/100% Polyester Backing

Environmental CA Proposition 65 Compliant
AB-2998 Compliant | CAL 01350 Compliant
Meets Criteria for Healthier Hospital Initiative
ANSI/BIFMA M7.1 & X7.1
RoHS 2.0 | REACH
