

Syon-5 All Purpose Cleaner

SECTION 1: Identification

Trade Name: Tarkett SYON-5

Product Class: ALL Purpose Cleaner and Spotter

Product Name: SYON-5

SECTION 3: Composition/Information on Ingredients

Description: (% by Weight)

Water (89.7%), Anionic Surfactant (4.7%), Chelating Agent (4.0%),

Tea Tree Oil (0.9 %), Preservative (0.5%), Perfume (0.2%)

SECTION 4: First-Aid Measures

Eye (Contact): Hold eyelids apart and flush the eye continuously with running water.

Skin (Contact): Remove contaminated clothing and flush skin with running water.

Inhalation (Breathing): Not volatile at room temperatures. Ingestion (Swallowing): DO NOT induce vomiting. For advice, contact a Poisons Information Center or a doctor.

Advice to Doctor: Treat symptomatically. First Aid Facilities: Ensure an eye bath and safety shower are available and ready for use. Additional Information: No aggravated medical conditions are known to be caused by exposure to this product.

SECTION 6: Accidental Release Measures

Emergency Procedure: SAA/SNA HB76: Dangerous Goods-Initial. Emergency Response Guide-N/A. Spills/Clean-Up: Clean up personnel should wear personal protective equipment. Restrict access to area until completion of cleanup. Stop leak if safe to do so. Contain spill with absorbent material, such as sand, vermiculite or other inert material. Prevent spill entering sewers or waterways. Collect and dispose of spilled material according to local regulations. Wash away remnants with copious amounts of cold water. Clean area by working from the periphery to the center of spill or from the edge of the room to the center.

SECTION 8: Exposure Controls/Personal Protection

National Exposure Standards-Source: National Exposure Standards for Atmospheric Contaminants in the Occupational Environment [NOHSC:1003]

Ingredient	CAS No	ES-TWA	ES-STEL
		None Known	

Biological Limit Values: N/A. Engineering Controls: Use in well ventilated areas.

Personal Protective Equipment: Eye/face protection-safety glasses or chemical resistant goggles should be worn to prevent eye contact. Skin protection-Use rubber gloves to prevent skin contact. Respiratory protection-Respirator is not usually necessary. If product is being used in a confined area where irritation or mist is a problem, use a suitable respirator.

SECTION 9: Physical and Chemical Properties

Appearance: Clear water like liquid Boiling Point: Approximately 100°C

Odor: Characteristic Freezing Point: Approximately 0° C

pH: 6.5 Solubility in Water: Soluble in water.

Specific Gravity: 1.02 Flash Point: N/A

Vapor Pressure: N/A Upper and Lower Flammability limits (in air): N/A

Vapor Density: N/A Ignition Temperature: N/A

SECTION 10: Stability and Reactivity

Chemical Stability: Stable under normal ambient storage conditions.

Conditions to avoid: Avoid high temperatures (store below 30° C). Protect against physical damage.

Incompatible materials: None known. Do not mix with other chemicals.

Hazardous decomposition products: None known.

Hazardous reactions: None known.

SECTION 15: Regulatory Information

Poisons Schedule (SUSDP): N/A.

All ingredients are listed in the Australia Inventory of Chemical Substances (AICS).

Safety Data Sheet

SECTION 2: Hazard Identification

GHS Classification: Not a hazardous substance or mixture

GHS Label Element: Not a hazardous substance or mixture

Other Hazards: None known if used according to instruction. Irritation may occur when in contact with eyes and skin.

SECTION 5: Fire-fighting Measures

Suitable Extinguishing Media: Use extinguishing media suited to the materials that are burning, eg. Dry Chemical, CO₂, or water spray. Hazards from Combustion Products: Carbon monoxide, carbon dioxide, and other toxic gases may be produced in the case of fire or during thermal decomposition. Precautions for Fire Fighters and Special Protective Equipment: Firefighters should wear full protective clothing including self contained breathing apparatus and chemical suit. Ensure that no spillage enters drains or water courses. Remove from the vicinity containers not involved in the fire. Additional Information: Hazchem Code-N/A.

SECTION 7: Handling and Storage

Precautions for Safe Handling: Always pre-test a small inconspicuous area for possible discoloration before use. Contact Tarkett account executive for advice when using this product for any application other than that outlines on the label or technical bulletin. Any non-intended or non-authorized use of this product may result in damage or personal injury. Store product in original container. Wash hands and face thoroughly after handling and before work breaks, eating, drinking, smoking, and using toilet facilities. Conditions for a Safe Storage: Store in a cool (below 30°C), dry, well ventilated area away from incompatible materials. Keep container tightly sealed.

SECTION 11: Toxicological Information

Health Affects

Acute: Swallowed-considered an unlikely route of entry in commercial/industrial environments. May be irritating to gastro-intestinal tract. Eye-may cause irritation and reddening. Skin-may cause irritation. Inhaled-inhalation of mist may cause irritation. Chronic: Swallowed-no effects known. Eye-no effects known. Skin-repeated skin contact may cause drying and cracking of the skin and possible contact dermatitis. Inhalation-no known effect. Toxicity Data: None known.

SECTION 12: Ecological Information

Ecotoxicity: Not known. Persistence and degradability: Not known.

Mobility: Not known.

SECTION 13: Disposal Considerations

Disposal method: Refer to Waste Management Authority. Dispose of material through a licensed waste contractor. Rinse empty containers thoroughly before recycling or disposing to an authorized landfill. Special precautions: Normally suitable for incineration by approved agent.

SECTION 14: Transport Information

Not classified as Dangerous Goods by the criteria of the Australian Dangerous Goods Code (ADG Code).

UN Number: N/A

UN Proper Shipping Name: N/A

Class and subsidiary risk: N/A

Packing Group: N/A

Special precautions for user: N/A

Hazchem Code: N/A

SECTION 16: Other Information

Tarkett believes the data set forth herein are accurate as of the date hereof.

Tarkett makes no warranty with respect thereto and expressly disclaims all liability for reliance thereon. Such data are offered solely for your consideration, investigation and verification.
