Priority®

A Multitude of Possibilities

Priority creates modern environments for individual and group activities. Its wide breadth of line includes height adjustable solutions and a multitude of low storage pedestals that can be integrated for a truly comprehensive solution. Utilize tall vertical storage as a convenient way to organize workstations and establish space division. Wall-mounted overhead cabinets with writable glass fronts provide storage and functionality, while tackable wall tiles and the accessory rail offer spaces to store files and keep personal items off the workspace.

Designed for Change

The workspace needs options, and Priority offers plenty of them. Integrate vertical storage with open frame shelves along with low storage on metal bases to create a space with a beautiful aesthetic. Complete the configuration with a height-adjustable desk that provides the ability to transition from sitting to standing throughout the day.
